

# **StarBoard T-Series** LCD DISPLAY

***The StarBoard T-Series brings the power of an interactive whiteboard to your fingertips!***

## **Pen-on-screen Experience**

The StarBoard T-Series LCD Display gives you the ability to add interactivity to your digital lectures. Write notes on the wide-screen display while your audience views the visuals projected onto a large screen through your computer and a projector.

## **Digital Tools at your Fingertips**

Present intuitively with the easy-to-access function buttons at the top of the display to create a new page, activate the pen tool, and other software shortcuts. Now you can conveniently control the pace and flow of your digital lecture from one location.
